So the Journal was approved.

The result of the vote was announced as above recorded.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore (Mr. SIMPSON). Will the gentleman from Florida (Mr. JEFF MILLER) come forward and lead the House in the Pledge of Allegiance.

Mr. JEFF MILLER of Florida led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain 15 1-minutes per side.

COVETED TROPHY GOES TO REPUBLICANS AFTER 41ST ANNUAL ROLL CALL BASEBALL GAME, AND CHARITY IS THE BIG WINNER

(Mr. OXLEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OXLEY. Mr. Speaker, I am proud to hold the coveted Roll Call trophy for the victory last night at Bowie Baysox Stadium, where I want to thank our good friend, the gentleman from Maryland (Mr. HOYER), the host of the evening, for a wonderful time, the 41st Annual Roll Call Baseball Game between the Republicans and the Democrats for charity.

The big winner last night really was charity. We raised over \$90,000 for the Boys and Girls Clubs and for the Literacy Council. It was a well-played game.

I want to thank my cohort on the other side of the diamond, the gentleman from Minnesota (Mr. SABO), for once again being a great sportsman, and the gentleman from North Carolina (Mr. WATT), the pitcher for the Democrats, a consistent player, and all of the Republican team for a great victory.

Our MVP last night was the gentleman from Illinois (Mr. SHIMKUS). He was extraordinary. I took him from behind the plate and put him on the mound. Nobody thought we could win after STEVE LARGENT left; but the gentleman from Illinois (Mr. SHIMKUS) was magnificent, and did not walk a hitter and only allowed one earned run. Our infield played solid, and our outfield, as well. We had some timely hits from a couple of unlikely sources, and we came away victorious, so of course I thank the Members so much for this.

Let me also say how proud we were of the women on our team. Republicans have had women players now for the last 12 years, and I invite our friends on the other side of the aisle perhaps to find some capable women to play that game. We are the embodiment of title IX on the Republican side, and proud of it.

Mr. SABO. Mr. Speaker, will the gentleman yield?

Mr. OXLEY. I yield to the gentleman from Minnesota.

Mr. SABO. Mr. Speaker, let me simply congratulate the manager and the Republicans on a well-played game. They played incredibly well. Their defense was good, and they hit the ball hard. We will be back next year, but congratulations for this year.

Mr. OXLEY. I thank my friend, the gentleman from Minnesota.

THE ADMINISTRATION'S APPALLING PLAN TO DISMEMBER AMTRAK

(Mr. BLUMENAUER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BLUMENAUER. Mr. Speaker, it was appalling yesterday to have the administration finally come forward with its plan for Amtrak. It is appalling that when the administration finally comes forward with its plan for Amtrak, it is basically to dismember the system, arguing somehow that Amtrak should be self-supporting.

When this Congress and administration gave \$5 billion to the airline industry, on top of the \$11 billion for air traffic control, for an industry that has never shown a profit over its 75 years is a little bit disingenuous, to say the least.

Amtrak plays a critical role in our transportation system. To dismember it now, to privatize a few profitable lines and then walk away from our commitment when we have never, never provided the money that was authorized originally, would be a sad day.

Luckily, there is broad bipartisan support in this Congress. Over 162 Members support the approach of the gentleman from New York (Chairman QUINN) and the ranking member, the gentleman from Tennessee (Mr. CLEMENTS), to fund it for this year. A majority of the Senate agrees. Hopefully, we will be able to step up where the administration is failing in nerve.

INTRODUCTION OF H.R. 4971, SUPPORT OF AMERICAN EAGLE SILVER BULLION PRODUCTION ACT

(Mr. OTTER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OTTER. Mr. Speaker, yesterday, joined by my colleagues, the gentleman from Idaho, (Mr. SIMPSON) and the gentleman from Nevada (Mr. GIBBONS), I introduced H.R. 4971, the Support of the American Silver Bullion Production Act. This bill will allow the U.S. Mint to continue its production of the American eagle silver dollar, the most popular silver coin in the world.

The Sunshine Mint Company in my district produces the blanks for these coins, and employs 60 of my constituents. Idaho is the greatest silver producer in history, mining more than 1.1 billion ounces since 1884.

Passage of this bill into law will allow us, number one, to meet the worldwide demand for bullion; number two, to continue to build on the \$264 million that this program has contributed to the deficit reduction; and, finally, to preserve the connection between Idaho's Silver Valley and our Nation's coinage.

PEACE CORPS CHARTER OF THE TWENTY-FIRST CENTURY

(Mr. FARR of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FARR of California. Mr. Speaker, I would first of all like to welcome to the United States Capitol all the returned Peace Corps volunteers who
